

# RECRUITING NEW DRINKERS

## THE IMPACT OF ALCOHOL MARKETING ON CHILDREN

You're invited to a day focusing on the impact of alcohol marketing on children and young people. The day will start with a forum featuring the launch of the *Second Alcohol Advertising Review Board (AARB) Annual Report* and presentations from a range of experts on alcohol marketing and public health. A networking lunch will follow the forum, providing an opportunity for you to meet politicians from across the country.
